Hatha: This class is for all levels, concentrating on physical health and mental well-being. Hatha yoga uses bodily postures (asanas), breathing techniques (pranayama), and meditation techniques (dyana) with the goal of bringing about a sound, healthy body and a clear, peaceful mind.

Power: A fitness-based approach to Vinyasa style flow. Students will focus on linking conscious breath with a vigorous and mindful flow. In a power yoga class, students will build strength, flexibility and concentration while cleansing the body and calming the mind.

Yin Yoga: Known as the quiet practice, Yin Yoga targets the connective tissues of the hips, pelvis and lower spine. Yin postures are held for three to five minutes which gives the body an opportunity to open and release tension from deeper tissues. Yin Yoga is suitable for most levels of students
