

RSC's COVID-19 Tennis Safety Guidelines & Protection Protocol: Our priority is keeping staff and clients safe. We have taken advice from Tennis Canada's recommendations, which you can find by [clicking here](#) (mandatory reading before playing).

In addition to Tennis Canada's Recommendations, RSC has also implemented the following for maximum COVID-19 safety:

- **Singles Tennis ONLY** for our first week(s).
- **Keep 2 meters away** from other tennis players and RSC Staff.
- **Stay on your side of the court**, no switching sides between games. No shaking hands.
- **Each player should only handle their own Tennis balls.** RSC Front Desk will have tennis balls for sale onsite, plus a marker for putting your initials on the balls. Later this week different colored tennis balls (blue, orange, pink) will also be for sale.
- **Do not pick up other people's balls.** As much as possible, use your racquet and your foot to send a ball to another player.
- **RSC's building will not be open** to clients due to provincial COVID-19 restrictions, but we have 2 Porta-Potties onsite, located in front of the Multi-Sport Dome. We suggest you come dressed to play, as there will be no changerooms.
- **Drinking Water:** Please come prepared to your tennis game with your own drinking water. There will be no "communal" water fill-up station due to COVID-19.
- **"Satellite" Front Desk** will be located at the top of the entry steps outdoors to help you with court assignments displayed on the monitor outside. The Front Desk will have the following available for sale: tennis balls, masks (disposable and fabric), cans of beer/wine/cocktails, and bottled water (if we can keep enough quantity in stock). Only Visa and Mastercard will be accepted, with a strong recommendation for "tap only"; we will not be taking cash.

While cans of beer/alcohol can be purchased at the "Satellite Front Desk" for post-

game refreshment, we are not allowed to let people sit on our patio furniture, so we recommend you bring your own chair or picnic blanket ... to enjoy your “take-out” drink on our 4-acres.

- **Player Registration:** Every tennis player playing at RSC MUST be listed on the court rental (or logged at the front desk), to ensure that (i) waivers have been signed; (ii) payment has been collected; and (iii) if an outbreak occurs, that we have trace contact information.
- **Flow of Entry & Exit to Tennis Courts:** In order to adhere to “physical distancing”...
- **Access to the Outdoor Clay courts** will be a 1-way Entrance (via Court 1) and a 1-way Exit (via Court 4). Please follow the Chalkboard Signs, so that in/out players don’t pass each other.
- **Access to the Indoor Hard Courts** will be guided by an “RSC Tennis Ambassador”, who will show you to the Indoor Tennis waiting area and walk people to the dome 1-at-a-time in/out.
- **50-minutes of playtime:** Despite the courts being booked for 1-hour at a time, during COVID-19 it will be 50 minutes of playtime to reduce the density of players in/out at once. For example, if your court booking is at 10am, then you will need to stop playing at 10:50am to reduce the cross-over of comings/goings and maximize “physical distancing”.
- **Summer Tennis Pass Holder Packages:** Due to COVID-19, many suppliers and deliveries have been delayed. Summer Tennis Pass Holder Package is not yet ready for pick up - we will notify you when it is. Tennis tags will not be available next week, which is why “check-in” at the “Satellite Front Desk” will be mandatory.
- **Ladders:** We will be launching our very popular Ladders for June 1st. Stay tuned for more information.
- **Round Robins & Tennis Programs:** Waiting for further clarity from the Province of Ontario before offering.

Thank you for your patience, we are so excited to see you!

Nicki (CEO & Founder) & RSC Team
